Flotilla Commander's Report Barry Campbell FC 57

I thank each and every one of you for your contributions to our division and Flotilla 57 members, and to furthering the missions of the U.S. Coast Guard Auxiliary this year.

Barry Campbell FC 57 displays new FL 57 annual award trophy

Our flotilla is in great hands for 2007. I look forward to the missions and the fellowship that we'll encounter next year.

We have become a Flagship Flotilla of the Division and District this year in Public Education, Operations, Membership, Fellowship, Organization, Liaison and Communication with the other Flotillas and with the public. We set the District wide record in public education, have pioneered and made OTWS (On the Water Safety) training an outstanding success. We wildly exceeded our published goals, all ways contributing at every Division Meeting, OPTREX and PCA Training event and constantly participate in the District and Div. 12 Events. We certainly are an Outstanding Flotilla of the Year. Our website maintenance and resuscitation of the Compass Rose was phenomenal.

We grew in membership, 50 strong with 7 new members (46 on the books and 4 New Member Applicants in process).

The new annual award trophy, The Compass Rose, was presented to 12 Flotilla 57 members for outstanding team-spirited accomplishments in 2006. The Award was presented at the 2006 Change of Watch / Holiday Celebration held at the Benicia Y.C. on 03DEC06.

2006 Compass Rose Award recipients

We continue to need your support and participation: Crossing Divisional lines, each year we participate in Div 12 Pleasanton Boat Show 10 day event (Jan. 5 – Jan. 14) and Boats'n Kids Morgenthau event, CGI Sat. April 21st. We need sign ups. FLT 12-91 San Ramon is offering the NAV Specialty Course, Starting Tuesday evening Jan. 23rd. We need sign ups.

Look to an all day FSO Workshop in late Jan. or early Feb.

We seek sign ups for CREW Training, a 3 month, once a week session to make you a Qualified CREW Member by May. Classes to start in January. Sign up now.

Flotilla 57 is right on course and holding well.

Steady as she goes
